submissive; they are pious if you call piety the feeling of a willingly accepted dependency, an obedience to the most spiritual laws.

My soul: a drill-ground.
The effort of virtues and vices. Be Lynceus.[4]

The history of the past is the story of all the truths that man has released.

Take upon oneself as much humanity as possible. There is the correct formula.

[4] A reference to Lynceus, the watchman on the tower in Goethe's *Faust,* Part II, who possesses the gift of joyful acceptance and was to become a symbol in the *Nourritures terrestres (*1897).
